The citizens of Nogales should give Mr. A. A. Hudgin, of the City Dairy, a rousing reception upon his arrival home from the territorial fair, with his herd of Jersey prize winners.

A large crowd frequented the big Montezuma lobby last Tuesday evening to hear the glad news read by those faithful members of the "Unterrified," F. J. Duffy and Charley Hardy.

Floyd McMahon, the mining man, has been here a couple of days. He is arranging to develop the gold claims in Sonora, recently acquired by himself, Nick Nichols and Charley Jones, of this city.

Mr. Joe Lusignan, of this city, announced that he has secured a patent on his new placer gold machine, and has already sold a dozen of them. We hope Joe will make a big fortune out of his invention.

Greenlee county, the baby county created at the last legislature, has gone Democratic, of course, with the possible exception of the county recorder. The entire Democratic city ticket was elected in Tombstone.

All were well pleased. In a few days Mr. Greenwell will return east.

Beside the dining room, there will be thirty-one nice rooms.

Supervisor George W. Parker, who was here Monday attending the regular monthly meeting of the board of supervisors, recently received from Texas a number of thoroughbred bulls. They will be turned onto the range with the Parker herd of Herefords, which are among the best in the country. Santa Cruz country cattle are the best in Arizona, and our stockraisers know their business.

Gas Hyman, the veteran traveling salesman, from San Francisco, was here Tuesday on his way to points in Mexico on business for his big liquor house. Gas is a thirty-three degree booster for everything on earth that needs boosting. He says the "Paris of America" is going to have the Panama exposition in 1915, for sure. San Francisco is entitled to the big exposition, and should get it.

Last Saturday night robbers broke into the Arizona Rock & Store and stole about \$500 worth of jewelry from the show cases, where it had been left the evening before by Mr. Saleeby, the proprietor. Entrance to the store was gained by breaking one of the glass in the front door. Mr. Hendricks, the colored barber, was the first to discover the robbery early Sunday morning. No arrests have been made although Sheriff Saxon has offered a reward of \$100 for information leading to the arrest and conviction of the guilty party.

Thursday Charley Bone, agent for the Wade gold machine, made a very successful test of a lot of placer gold dirt brought up from the property of Hon. Fernando Mendez, of Hermosillo, situated three miles west from Llano. CONGREGATIONAL SOCIAL.

The Ladies Aid Society of the Trinity Congregational church, Nogales, will hold their first entertainment and social next Wednesday evening, November 16th, in the church. A choice program will be given by local talent, some of the best in the town. All who attend can enjoy "A Trip Around the World" and also a dainty lunch. Think of it just 25 cents. Everyone made cordially welcome.

All Nogales Happy.

Queen Beas, of the City Dairy, and her "get," as well as a number of her bovine playmates, made good at the Sixth Territorial Fair, and all Nogales is proud and happy, as this city and Santa Cruz county, as a result, will receive a vast amount of splendid advertising, far-reaching and lasting. When Mr. A. A. Hudgin, proprietor of the City Dairy, left Nogales last Saturday for the fair, with sixteen head of his thoroughbred Jerseys, Beas the winner of many prizes, included, he expected to bring home some of the prizes, to be sure, but he little thought he would carry off eight, including the Grand Sweepstakes, which he won over nine herds of the finest cattle ever seen in Arizona.

Of course having the finest herd, it was proper Mr. Hudgin should win the premium for the best butter, which he did.

The following were the premiums awarded the City Dairy:

First premium for Jersey cow "Beas."
First and second premium for Jersey bulls.
First and second premium for yearling herd.
First premium for butter.
Second premium for junior herd.
The Grand Sweepstakes.
No wonder all Nogales is happy.

The Diaz Way Wins.

Mexico City, Nov. 10.—The strong arm of President Diaz showed itself today by the whole sale arrest of 200 persons who participated in the Anti-American demonstration in this city Wednesday. Everything is quiet but much apprehension is felt.

Repressive measures adopted by the Mexican authorities prevented today a repetition of yesterday's scenes in the city and resulted in a day of comparative tranquility.

An attempt of the demonstrators to gather late this afternoon in the neighborhood of the new National theater was discouraged by the mounted police, who kept the crowds moving. The foreign office as used Ambassador Wilson there would be no repetition of the rioting. Strict orders had been given the police, Minister Creel said, to prevent even if vigorous measures were necessary, gatherings on the streets. Visits were exchanged between Creel and the American ambassador during the day and a verbal reply was given by the former to Wilson's urgent message of yesterday concerning the insult to the United States flag, and American citizens.

Serious Accident at Ivanhoe.

Last Wednesday at the Ivanhoe mine near Patagonia, Manager Jim Johnson, Mr. J. E. Cochran and Mr. Chas. Gabriel, came within an ace of being killed, according to Dr. Purdy of this city, who was called to the mine Wednesday to mend two broken legs, one for Mr. Johnson, the other for Mr. Gabriel. Mr. Cochran escaped with a few bruises.

The three gentlemen were down in the mine, at the 100 foot level, in the double compartment shaft, which is 200 feet deep. A round of shots were about to be fired, and they stepped on the cage to be hoisted to the surface, when through a misunderstanding, the nature of which is not known, the cage with the three gentlemen, dashed to the bottom of the shaft like a shot, and that all were not killed is most miraculous.

Dr. Purdy of this city and Dr. Doron of Patagonia, were at once called to the Ivanhoe to care for the injured men, who at last accounts were doing well.
